

ST JOHN BOSCO BASC & VACATION CARE

2021 Enrolment

Due to Covid-19 restrictions, Bosco BASC will not be holding an Enrolment Information evening for 2021 enrolments this year.

Please go to our website www.boscobasc.com to enrol via 'My Family Lounge' link. If you already have an account with My Family Lounge, please use that account and select our Centre. Otherwise you will need to create a new account. Instructions are provided on our website.

Due to our increase in numbers at the Centre, we anticipate that we will have enough places for all our existing and new families.

Please ensure that you create an account, select your days and fully complete enrolment form for your child/children by 12th October 2020. Immunisation statements must also be uploaded along with any other documentation that may be applicable to your child. This includes asthma, anaphylaxis or behavioural management plans.

You will be updated accordingly by the Centre in early November 2020
