**Educator** Lyn

**Educator** Rosanna

Welcome to our new staff members Jesse and William. Jesse and William have both been settling in over the past few weeks and are getting to know the fast paced environment here at BASC.

## COVID-19 Update

BASC is now registered as a Covid-Safe business and we have updated our safety plan. All staff and visitors who enter the Centre are now required to scan in via a QR code.

We would like to thank all of our families for their support and patience during these challenging times.

## Vacation Care

Thank you to all the children who came during the September/October school holidays. The children enjoyed a range of activities and experiences here at the centre. Children's favourite days included: Bring Your Bike and Helmet Day, Stuff A Toy Day and Halloween Day. During vacation care educators and children practiced a variety of fire drills and lock downs. These are crucial due to ongoing safety controls within the service. Please discuss the importance of these with your child.

## Goodbye Meg

Congratulations to Meg who has just finished her Bachelor of Primary Education and is now a primary school teacher. After 3.5 years Meg will sadly be leaving BASC and we would like to wish her all the best.

## Goodbye Year 6 Children

With the end of year nearing we will be saying goodbye to our year 6 children. Many have already left and thanked BASC for their care over the years. BASC would like to wish all of the year 6 children all the best as they transition to high school.

## Safety Concerns

BASC would like to remind all families about the following safety concerns:

- Please remind your children not to stand or swing on the green entrance gate.
- Please ensure that you let us know when someone not on your contact list is picking your child/ren up.
- Please ensure your children bring their own hats as we are not providing any during this time.

### Fr Mick

Fr Mick visited the Centre to help with our lockdown drill. He talked to the children about his past experiences and the children really enjoyed having him at the Centre during this time. Thankyou Fr Mick

### Educa

For updates on our program please check Educa. If you are not on Educa please let a staff member know and we can add you to the app. As part of our ongoing improvement plan we encourage all families to comment on Educa where possible. You can add a comment at the bottom of a story.
